### **E Mic Warranty Information**

Congratulations on purchasing the E-mic fitness microphone, the leader in waterproof and sweat-resistant technology. You'll find that with proper care and maintenance, your E-mic will last for years to come. The E-mic is covered under warranty for 1 year, which covers any malfunctions caused by "sweat damage" up to a regiment of 20 classes per week, for 52 weeks from the date of purchase.

Physical defects that are a result of improper adjustment such as a damaged or broken frame, "cuts or creases" in the boom arm or wire, or clogged or damaged capsule either from physical abuse, careless handling, or by cleaning with solvents, sanitizers, alcohol, or wipes of any kind are not covered under any warranty. All warranty claims must be accompanied by a copy of the original sales receipt with the serial number of the product noted at the time of sale.

If at sometime the E-mic needs servicing, notate the serial number located on the wire near the head band, then e-mail, call or email for a Return Authorization number to be issued. All service returns require an RA number on the outside of the box for documentation/processing and to avoid possible delays.
